ARTICLE IV

GRIEVANCE PROCEDURE

Section 1 General

4/1/1 A grievance is defined as, and limited to, a written complaint involving an alleged violation of a specific provision of this Agreement. However, nothing in this Article will preclude an employee from verbally discussing any problem with his/her supervisor.

4/1/2 Only one (1) subject matter shall be covered in any one (1) grievance. A written grievance shall contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, and the specific section or sections of the Agreement involved. The first step grievance shall be presented to the designated supervisor involved in quadruplicate (on forms furnished by the Employer to the Union and any prospective grievant) and signed and dated by the employee(s) and/or Union representative.

4/1/3 An employee may choose to have his/her appropriate Union representative represent him/her at any step of the grievance procedure. If an employee brings any grievance to the Employer's attention without first having notified the Union, the Employer representative to whom such grievance is brought shall immediately notify the appropriate Union representative and no further discussion shall be had on the matter until the appropriate Union representative has been given notice and an opportunity to be present.

4/1/4 Individual employees or groups of employees shall have the right to present grievances in person or through other representatives of their own choosing at the first two (2) steps of the grievance procedure, provided that the appropriate Union representative has been afforded the opportunity to be present at any discussions and that any settlement reached is not inconsistent with the provisions of this Agreement. Under these circumstances, the Employer will supply copies of all written decisions to that Union representative.

4/1/5 All grievances must be presented promptly and no later than thirty (30) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance.

4/1/6 Grievances which result from claims under Article IX, Section 12, that tasks which have been assigned, and performed, are abnormally dangerous, will be filed beginning with the Second step of the grievance procedure.

4/1/7 Grievances relating to demotion, suspension or discharge under Section 11 of this Article, and grievances regarding employee benefits under 12/7/5 or 12/7/6 shall be filed beginning with the Second step of the grievance procedure.

Section 2 Procedure

4/2/1 When the employee does not know who the appropriate Employer representative is at any step of the grievance procedure, the employee can obtain this information by contacting his/her appropriate personnel office.

4/2/2 Step One: Within ten (10) calendar days of receipt of the written grievance from the employee(s) or his/her representative(s), the appointing authority or designee will hold a meeting with the employee(s) and his/her representative(s), unless mutually agreed to otherwise, to hear the grievance and return a written decision on the grievance form to the employee(s) and his/her representative(s).

4/2/3 Step Two: If dissatisfied with the Employer's decision in Step One, to be considered further, the grievance must be appealed to the designee of the head of the agency within seven (7) calendar days from receipt of the decision in Step One. The designated agency representative(s) will meet with the employee and his/her representative(s) to discuss and attempt to resolve the grievance. A non-employee representative of the Union may be present as a representative at the grievance meeting as the Union may elect. Following this meeting, the written decision of the agency will be placed on the grievance form by the Employer or his/her designee and returned to the grievant(s) and his/her representative(s) within thirty (30) calendar days from receipt of the appeal to Step Two.

4/2/4 Step Three: Grievances which have not been settled under the foregoing procedure may be appealed to arbitration by the Union or the Employer within thirty (30) calendar days from the date of the agency's decision in Step Two, except grievances involving discharge or claims filed under s. 230.36, Wis. Stats., must be appealed within fifteen (15) calendar days, or the grievance will be considered ineligible for appeal to arbitration. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the

basis of the Second Step answers of the parties without prejudice or precedent in the resolution of future grievances. The issue as stated on the Second Step grievance and any amendments made thereon, in writing, at the Second Step grievance meeting shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties agree to modify the scope of the hearing.

4/2/5 For the purpose of selecting an impartial arbitrator, representatives of the Union and the State of Wisconsin, represented by its ~~Department~~Office of State Employment Relations, Bureau of ~~Collective Bargaining~~Labor Relations will confer within seven (7) calendar days from the date of the written appeal of the grievance to arbitration. If the parties are unable to agree on an impartial arbitrator within the seven (7) calendar day period, the appropriate representatives of the parties or party, acting jointly or separately, will request the Wisconsin Employment Relations Commission to submit a panel of arbitrators for selection of an arbitrator by the parties in accordance with the procedures established by the Wisconsin Employment Relations Commission. The parties will determine who strikes first by coin toss.

4/2/6 Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one (1) arbitrator. On the grievances where agreement is not reached, a separate arbitrator will be appointed for each grievance. Where the grievance is denied by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one is requested by either party for the hearing, will be borne by the Union. Where the grievance is upheld by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one was requested by either party for the hearing, will be borne by the Employer. Where the grievance is upheld in part and denied in part by the arbitrator, the fees and expenses of the arbitrator and the costs of a court reporter, if one was requested by either party for the hearing, will be shared equally by the parties. When an employee is subpoenaed by either party in an arbitration case, that employee may appear without loss of pay if he/she appears during his/her regularly scheduled hours of work provided the testimony given is relevant to his/her job function and is relevant to the arbitration case.

4/2/7 On grievances where the substantive or procedural arbitrability of the subject matter is an issue, a separate arbitrator will be appointed to determine the question of arbitrability, unless the parties agree otherwise.

4/2/8 Where the question of arbitrability is not an issue, the arbitrator shall only have authority to determine compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add

to, amend, modify, nullify, or ignore in any way the provisions of this Agreement and shall not make any award which, in effect, would grant the Union or the Employer any matters which were not obtained in the negotiation process.

4/2/9 The decision of the arbitrator will be final and binding on both parties of this Agreement. The decision of the arbitrator will be rendered within thirty (30) calendar days from receipt of the briefs from the parties or the transcript in the event briefs are not filed.

Section 3 Time Limits

4/3/1 Grievances not appealed within the designated time limits in any step of the grievance procedure will be considered as having been adjudicated on the basis of the last preceding Employer answer. Grievances not answered by the Employer within the designated time limits in any step of the grievance procedure may be appealed to the next step within seven (7) calendar days of the expiration of the designated time limits. The parties may, however, mutually agree in writing to extend the time limits in any step of the grievance procedure.

4/3/2 If the Employer representative with whom a grievance appeal must be filed is located in a work site other than that in which the grievance was processed in the preceding step, the mailing of the grievance appeal form shall constitute a timely appeal if it is postmarked within the appeal period. Likewise, when an Employer answer must be forwarded to a work site other than that in which the Employer representative works, the mailing of the answer shall constitute a timely response if it is postmarked within the answer period.

Section 4 Representation

4/4/1 An employee(s) may consult with his/her appropriate representative(s) during working hours for a reasonable period of time relative to a grievance matter by first contacting his/her supervisor. The employee's supervisor will arrange a meeting to take place as soon as possible for the employee(s) with his/her representative(s) through the representative's supervisor.

Section 5 Retroactivity

4/5/1 Settlement of grievances may or not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, the maximum period of retroactivity allowed shall be a date not earlier than forty five (45) calendar days prior to the date of initiation of the written grievance in Step One. Employees who voluntarily terminate their employment will have their grievances immediately withdrawn and will not benefit by any later settlement of a group grievance. Withdrawal of a grievance under the above circumstances shall not establish a precedent for future grievances. Retirement shall not be considered a voluntary termination for the purposes of this Section.

Section 6 Exclusive Procedure

4/6/1 The grievance procedure set out above shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the application and interpretation of this Agreement.

Section 7 Steward/Grievance Representatives

4/7/1 The Union will designate one (1) grievance representative for each of five (5) grievance jurisdictions to represent employees within the jurisdictional area for purposes of grievance meetings, investigatory interviews and disciplinary meetings as provided in this Article. 4/7/2 New facilities established by the Employer will be assigned by the Employer to an appropriate jurisdictional area, taking into consideration geographical proximity to existing facilities.

4/7/3 The Union will notify the Employer in writing of the names of the grievance representatives and their respective jurisdictional areas within one hundred and eighty (180) calendar days after the effective date of this Agreement. Any changes will be forwarded to the Employer by the Union as soon as the changes are made.

Section 8 Union Grievances

4/8/1 Union officers and grievance representatives who are members of the bargaining unit shall have the right to file and process a grievance when any provision of this Agreement has been violated or when the Employer interpretation of the terms and provisions of this Agreement lead to a controversy with the Union over application of the terms or provisions of this Agreement. Such grievances must be designated as Union grievances at the initial step and must comply with the time limits previously set forth in this Article.

Section 9 Group Grievances

4/9/1 Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievants involved. Individual grievances which meet the definition of group grievance as contained herein shall be consolidated at each step of the procedure. A group grievance must be designated as a group grievance at each step of the grievance procedure and shall set forth thereon the names and classifications of the employees covered by the group grievance. No employees may be added to the list of group grievants after the Second Step hearing. Relief is restricted to those employees identified in the group grievance. Only one (1) of the grievants appearing without loss of pay shall represent and serve as spokesperson for the entire group.

Section 10 Processing Grievances

4/10/1 Grievance representatives and grievants will be permitted a reasonable amount of time to process a grievance at each step during their regularly scheduled hours of employment.

4/10/2 The Employer is not responsible for any travel or subsistence expenses incurred by grievants or Union representatives in the processing of grievances.

4/10/3 Whenever possible, grievance meetings shall be held at the employee's work location.

Section 11 Discipline

4/11/1 The parties recognize the authority of the Employer to suspend, demote, discharge or take other appropriate disciplinary action against employees for just cause. An employee who alleges that such action was not based on just cause, may appeal a demotion, suspension, or discharge, taken by the Employer beginning with the Second Step of the grievance procedure. Appeals of written reprimands shall be filed at Step One of the grievance procedure.

4/11/2 An employee shall be entitled to the presence of a designated grievance representative at an investigatory interview if he/she requests one and if the employee has reasonable grounds to believe that the interview may be used to support disciplinary action against him/her. (See Negotiating Note #1)

4/11/3 An employee shall be informed by his/her supervisor that he/she is being verbally reprimanded at the time such reprimand is issued.

4/11/4 A copy of a disciplinary written reprimand, suspension, demotion or discharge letter(s) will be forwarded to the Union within ten (10) working days after the discipline is issued to the employee; however, failure to provide a copy of such a letter will not prevent the Employer from maintaining its discipline on the merits of just cause.

4/11/5 Disciplinary action cannot be taken during an informal counseling or performance evaluation meeting unless the Employer has afforded the employee the opportunity to have a union representative present. The occurrence of an informal counseling or performance evaluation meeting shall not be identified by the Employer after the meeting as a step in the disciplinary procedure. However, the occurrence of such a meeting can be used by the Employer to demonstrate the employee had been made aware of behavioral and/or performance problems which resulted in a subsequent disciplinary action(s) against the employee.

4/11/6 Upon request of the employee, the Employer will remove written reprimands from the employee's personnel file twelve (12) months after being issued, and suspensions four (4) years after being issued, provided the employee has received no discipline since the written reprimand or suspension.

Section 12 Exclusion of Probationary Employees

4/12/1 Notwithstanding Section 11 above, the retention or release of probationary employees shall not be subject to the grievance procedure.

Section 13 Concentrated Performance Evaluation

4/13/1 Employees will be placed on a concentrated performance evaluation program only after the Employer has documented the reasons for such action and with the prior approval of the department head or his/her designee(s). Placement on the program must not be arbitrary and capricious. At the time an employee is placed on a concentrated performance evaluation program, the Union will receive formal written notice of the action. At the request of the employee (after the employee has been made aware of the possible consequences of being put on the program), a non-employee representative of the Union may attend the meeting in which formal notice of performance problems will be explained to the employee. Selection of a non-employee representative of the Union shall not delay this scheduled meeting. Neither the notice to the employee nor the placement of the employee on such a program is grievable under this Agreement until such time as the employee receives a written notice of a disciplinary action under this program. At such time as the employee is subjected to disciplinary action, the principle of just cause must be met.

4/13/2 After an employee has been placed on a concentrated performance evaluation program and has received written notice of possible termination or other disciplinary action, a non-employee representative of the Union, at the request of the employee, may attend all formal concentrated performance review meetings. Participation of the representative at such meetings is limited to observing, asking clarifying questions and advising the employee.

ARTICLE V

SENIORITY

Section 1 General

5/1/1 Seniority for employees hired after the effective date of this Agreement shall be determined by the original date of employment with the State of Wisconsin. Seniority for existing bargaining unit employees shall be their seniority date as of the effective date of this Agreement. Seniority for employees who become members of the bargaining unit during the term of this Agreement shall be their adjusted continuous service date or seniority date as of the time they became members of the unit. When the Employer becomes responsible for a function previously administered by another governmental agency, a quasi-public, or a private enterprise, the seniority of the employees who become bargaining unit members as a result of this change of responsibility shall be their date of accretion into state service, unless the legislation or the executive order causing such accretion specifies differently. In accordance with the above, the employee with the earliest date shall be considered having the greatest seniority.

Section 2 Separation

5/2/1 Seniority as established in Section 1 above, will be changed only where the employee is separated from state service by discharge, resignation or layoff.

5/2/2 Where separation has occurred and the employee is subsequently rehired, the date of rehire will begin the seniority date except as outlined below:

A. Where an employee is laid off and recalled or reinstated from layoff within five (5) years thereof, he/she shall retain his/her original date of employment for the computation of seniority.

B. If an employee resigns and is reinstated within the time period provided under the permissive reinstatement provisions in the Wisconsin Administrative Code, his/her new seniority date will be the original date of employment adjusted to a new and later date which gives no credit for the period of resignation during which he/she was not an employee of the state.

5/2/3 In the event two (2) employees have the same seniority date, seniority of the one as against the other shall be determined by age, with the oldest employee considered having the greatest seniority.

Section 3 Application

5/3/1 The Employer will be required to apply seniority as defined above only as specifically provided in this Agreement and subject to any limitations set forth in any particular article or section of this Agreement.

Section 4 Seniority Lists

5/4/1 Information on seniority will be maintained in the appropriate offices and shall be available to Union representatives and employees upon request.

ARTICLE VI

HOURS OF WORK

Section 1 General

6/1/1 Employees in this bargaining unit are professional employees and as such, are paid a predetermined salary each week, irrespective of the number of hours worked in a workweek.

Section 2 Hours of Work

6/2/1 Hours of work are defined as those hours of the days, days of the week for which the employees are required to fulfill the responsibilities of their professional positions.

Section 3 Compensatory Time

6/3/1 Compensatory time credit, not necessarily on an hour-for-hour basis, may be granted to FLSA exempt employees for hours worked in excess of forty (40) hours in a work week. Such compensatory time credits shall be compensated for in compensatory time off or in cash at the employee's base rate, as determined by the Employer.

Section 4 Scheduling of Vacation, Personal Holidays, and Compensatory Time Off

6/4/1 The parties recognize that the Employer has the right to determine the number of employees within each classification and work unit that may be absent at any given time. However, absences for vacation (annual leave), compensatory time credits, and personal holidays shall be granted at times and in amounts most desired by employees whenever operations permit.

6/4/2 In scheduling vacation (annual leave), personal holidays, or compensatory time credits, choice of time and amounts shall, as far as practicable, be governed by seniority as defined in Article V.

Once these periods of absence as enumerated above have been scheduled, the Employer shall make changes in such schedules only to meet unanticipated staff shortages or emergencies. Such changes in scheduled periods of absence shall, as far as practicable, be governed by seniority as defined in Article V.

In the event the Employer finds it necessary to cancel a scheduled absence, the affected employee may reschedule such absence during the remainder of the calendar year or extend the scheduling into the first six (6) months of the ensuing calendar year, as he/she desires, providing it does not affect any employee's scheduled period of absence.

It is the expressed intent of the Employer to exercise the authority to change such scheduled periods as seldom as possible.

6/4/3 Should the employee become ill or injured immediately before or during a scheduled absence period, he/she may cancel such scheduled time off credits as charged and utilize sick leave under the provisions of 12/4/2/A., commencing with the date he/she informs the Employer.

6/4/4 Employees who transfer shall carry their selections to their new work unit, providing no other employee's selection is adversely affected.

6/4/5 Notwithstanding 6/4/2 above, employees shall be permitted to carry-over forty (40) hours of earned annual leave credit to the first six (6) months of the ensuing calendar year.

6/4/6 Compensatory time credits shall be scheduled and used prior to seasonal layoff or January 1, whichever is first. However, if the Employer does not permit an employee to use accrued compensatory time by January 1, the employee will, at the Employer's discretion, be paid in cash or be permitted to carry such credits into the first six (6) months of the new calendar year.

6/4/7 Employees permitted to carry unused compensatory time credits into the new calendar year shall use such credits prior to July 1. The Employer will pay the unused credits in cash.

6/4/8 All such compensatory time credits shall be scheduled in accordance with the scheduling provisions of Sections 6/4/1 and 6/4/2 above, except accumulations in excess of forty (40) hours may be scheduled off at the Employer's convenience.

Section 5 Alternative Work Patterns

6/5/1 The State of Wisconsin as an Employer recognized the value and benefits of alternative work patterns to the employees. In the furtherance of this recognition, the Employer acknowledges the public policy criteria expressed in s. 230.215(1), Wis. Stats., supporting the development and implementation of alternative work patterns in appropriate work environments, balanced by due consideration for the operations of the work unit and the needs and convenience of the public and clients served by the work unit. Implementation of alternative work patterns or any variations thereof will be by mutual agreement between the designated agency management and the Union. The Employer agrees that reasonable efforts will be made to explore the possibility of implementing alternative work patterns in appropriate work environments.

Section 6 Travel Time

6/6/1 When the Employer assigns an employee to travel to an alternative work site(s), the employee is in pay status while traveling.

6/6/2 An employee shall be considered to be in pay status once they pick up tools which are required by the Employer in order for an employee to perform their job.

ARTICLE VII

7/1/1 Employees who have permanent status in their current classification titles and subtitles and desire to transfer within their department, shall file a written request as prescribed by the agency with the appropriate department personnel office indicating that interest.

Section 2 Screening Process

7/2/1 When a permanent vacancy occurs, in a permanent position, and the Employer decides to fill that vacancy, the Employer will review those requests on file from any employees in the same Department who are in the same classification as the vacancy and have indicated an interest in the specific subtitle, shift and/or location of the vacancy.

7/2/2 Whenever a permanent vacancy is created involving a new position and the duties are substantially different, the Employer will announce the vacancy in the department in which the vacancy exists. Also, when a permanent vacancy is created and involves a different geographic location, a change in shift, a change in subtitle, a change from part-time to full-time (or vice versa) or a change from seasonal to permanent (or vice versa), the Employer will announce the vacancy in the department in which the vacancy exists. The announcement distribution shall be in the same manner as for promotional exams. A period of five (5) workdays shall be allowed for interested employees to file a written request to be included in the group of applicants to be considered for that vacancy.

7/2/3 In screening the requests, the Employer will take into consideration ability, training, experience, job requirements, and seniority. If the Employer determines that two (2) or more employees are equally qualified, seniority shall govern.

7/2/4 In the event no employee is offered a transfer under the provisions above, the Employer will review those requests on file from any employees in the bargaining unit in the department who are in the same pay range as the vacancy.

7/2/5 Any employee who is selected for transfer shall have three (3) workdays in which to decline the offer.

7/2/6 In the event no employee is offered a transfer, the Employer may fill the vacancy in accordance with Wisconsin Statutes.

Section 3 Notice of Non-Selection

7/3/1 In the event no employee is selected from the transfer applicants, upon written request from an employee who requested a transfer but was not selected, the Employer will inform that employee in writing of the reasons for his/her non-selection. Such notice is for informational purposes and is not grievable under Article IV of this Agreement.

Section 4 Definition of Permanent Vacancy

7/4/1 For purposes of this Article, a permanent vacancy is created:

- A. When the Employer has approval to increase the work force and decides to fill the new positions;
- B. When any of the following personnel transactions take place and the Employer decides to replace the previous incumbent: terminations, transfers out of the bargaining unit, promotion or demotion;
- C. If no employee has indicated a desire to transfer to a vacancy and the Employer fills such vacancy by transfer of an employee from another classification in the same salary range and determines that the vacated position is to be filled, such position shall be subject to the provisions of Section 1 of this Article;
- D. Transfers within the bargaining unit resulting from either A., B., or C. above.

Section 5 Transfer Limitations

7/5/1 The applications of the procedures in this Article shall be limited to a maximum of three (3) transfers resulting from any given original vacancy.

7/5/2 Employees may not transfer under the provisions of Section 1 of this Article more often than once every twelve (12) months.

7/5/3 Employees transferring under the provisions of this Article may be eligible for payment of any expenses related to the move by the Employer.

ARTICLE VIII

LAYOFF PROCEDURE

Section 1 Application of Layoff

8/1/1 The Union recognizes the right of the Employer to layoff employees in accordance with the procedures set forth in this Article. Such procedures, however, shall not apply to:

A. Temporary layoff of less than twenty one (21) consecutive calendar days; and/or

B. Temporary reduction in hours to not less than thirty two (32) hours per week and not lasting longer than four (4) weeks at any given time, unless mutually agreed otherwise. If the Employer determines, at its option, to reduce the weekly hours of some of the employees within the same class within an employing unit, the employee(s) who will work the reduced hours will be determined on the basis of seniority, with the least senior employee(s) working the reduced hours.

C. Under this Article, calendar days will exclude holidays identified under 12/11/1.

8/1/2 At-Risk of Layoff

A. Definition: An employee may be considered at risk of layoff if the employee meets at least one of the following criteria:

1. An employee whose position has been identified for deletion (e.g., in the agency's budget)
2. An employee who has received written notice that he or she may be laid off at some future date.
3. An employee who is in an anticipated layoff group.
4. An employee who may be displaced by a more senior employee as a result of an anticipated layoff.

B. An employee who has received written notice from the appointing authority of being at risk of layoff may request, in writing, consideration for a transfer to a lateral or counterpart vacancy within his/her current agency. The employee shall be considered for the vacancy if he/she provides written documentation of his/her qualifications for the vacancy and provides a copy of the at-risk notice, if requested.

C. The Union shall be notified of employees who have received written notice of being at risk of layoff.

Section 2 Layoff Procedures

8/2/1 Preparation for a layoff. The following general procedures shall apply in preparation for a layoff:

A. In the event the Employer becomes aware of an impending reduction in the work force, the Union will be provided thirty (30) days advance notice.

B. The layoff group shall be determined by classification.

C. The layoff group shall be limited to employees of an employing unit within the bargaining unit.

D. All employees in the layoff group shall be ranked by seniority, as defined in Article V, Section 1 of this Agreement.

E. Limited term employees and employees serving an original probationary period in the same class within the employing unit (other than student employees) who are not in totally federally funded positions shall be laid off prior to laying off bargaining unit employees.

8/2/2 Determination of Layoff. The following procedures shall apply in implementing a layoff:

A. The Employer shall be permitted to exempt employees from the identified layoff group to maintain a reasonable affirmative action program to the extent permitted by law and/or employees with special skills for the maintenance of an existing program from the layoff process. In addition, the Employer may exempt employees as necessary to comply with Federal or State laws. The name of any employee exempted and the reason therefore shall be given to the Union in writing.

B. Employees remaining in the layoff group shall be laid off by seniority with the employee with the least amount of seniority (as defined in Article V, Section 1) laid off first.

C. The Employer shall notify each employee in the layoff group selected for layoff in writing as soon as possible but not less than fourteen (14) calendar days in advance of the established layoff date. Where notices are sent by first class mail, the time shall begin to run on the date the notice is postmarked. That layoff notice shall contain reference to the options available to that employee under this Article. A copy of such notice shall also be sent to the Union at that time.

D. With the agreement of the Employer, a more senior employee may volunteer to be separated from employment in lieu of the layoff of a less senior employee with the guarantee of the right to restoration and that the Employer will not challenge the more senior employee's eligibility for unemployment compensation, unless that employee, at a later point in time, refuses a reasonable offer of reemployment.

Section 3 Options Available to Employees Who Have Been Notified of Layoff

8/3/1 ~~Upon~~At the time a written notice of layoff is issued, the Employer will provide the employee with options available, and, any employee may, within five (5)seven (7) calendar days, elect one (1) or more of the following options: Transfer to Avoid Layoff, Voluntary Demotion in Lieu of Layoff or Layoff. The Employer may extend the preceding time limits. A. Transfer to Avoid Layoff

1. Within the Department - The employee shall be afforded the opportunity to transfer laterally to a vacant position in the same class in any employing unit within the department of which he/she is an employee providing he/she is qualified to perform the duties of the position, as determined by the Employer. Where more than one employee seeks to transfer to a vacancy under this provision, the Employer shall select the employee with the most experience relevant to the position. Upon approval of that department, such employee may be appointed to such vacancy~~Employees may submit requests for transfer to any position vacancy with the same or counterpart pay range within any state agency. Prior to filling a bargaining unit vacancy with an individual other than a current state employee and in accordance with 8/12/1,
the Employer agrees to the following:

b. The employee in the layoff group is in the same classification as the vacancy.

c. The employee is qualified to perform the work after customary orientation and training provided to newly hired workers.

e. The employee is not currently on a concentrated performance evaluation program.

Employees transferring to another agency in lieu of layoff under these provisions may be placed on permissive probation at the discretion of the appointing authority. If the employee is terminated for performance reasons while on permissive probation, the termination will be treated as a layoff except that the employee's right of restoration will be to the agency from which he/she transferred in lieu of layoff.

B. Voluntary Demotion in Lieu of Layoff

1. Within their employing unit within the bargaining unit, an employee, including any employees previously promoted out of the bargaining unit, may accept voluntary demotion in lieu of layoff to a vacancy in a lower classification in the same series or to a lower classification in which the employee had previously obtained permanent status.

2. The Employer will within fourteen (14) calendar days notify the employee of the position to which he will be assigned. This paragraph will sunset on June 30, 2005, regardless of contract extension, unless both parties mutually agree to extend.

8/4/9 The employee's right to restoration shall exist for a period of five (5) years from the date of layoff or until he/she is employed and attains permanent status in the same class as the class from which the employee was originally laid off or demoted in lieu of layoff, whichever occurs first.

8/4/10 The employee shall be notified in writing of his/her forfeiture of restoration right. The Union shall be copied on the correspondence.

9/5/1 The provisions of s. 895.46, Wis. Stats., or as may be amended, are hereby incorporated into this Agreement.

Section 6 Outside Employment

9/6/1 Any department may require employees to obtain approval to engage in outside employment. In such case, employees must request, in writing, permission to engage in outside employment. If an employee is denied permission, he/she may challenge the reasonableness of such denial through the grievance procedure.

Section 7 First Aid Equipment

9/7/1 It is the expressed policy of the Employer and the Union to cooperate in an effort to solve health and safety problems. Adequate first aid equipment shall be made accessible at appropriate locations.

Section 8 Tools and Equipment

9/8/1 The Employer agrees to furnish and maintain in a safe working condition all tools and equipment that it determines are required to carry out the duties of each position. Employees are required to report any unsafe condition or practice and are responsible for properly using and caring for the tools and equipment furnished by the Employer.

9/8/2 The Employer agrees to provide transportation for necessary tools, equipment, materials and supplies which cannot reasonably or safely be transported by hand.

9/8/3 The Employer agrees to give consideration to ergonomics in the purchase of new or the modification of existing tools, equipment and furniture. Agencies are encouraged to allow employee input regarding such ergonomic considerations.

Section 9 VDT/CRT Eye Examinations

9/9/1 The Employer reserves the right to require eye protection for employees. In such cases, the Employer will provide the appropriate type of safety glasses for the duties performed to protect the health and safety of the employee. The employee will be responsible for the cost of any prescription or nonessential feature, except

that where eye examinations for safety glasses are necessary, the Employer will pay the cost of examination during the term of this Agreement if it is not covered by the employee's present health insurance program.

9/9/2 Employees whose assigned duties require high VDT/CRT work [four (4) or more hours per day] are encouraged to have an eye examination. Employees who avail themselves of such examination will be reimbursed for one examination not covered by the present health insurance program during the life of the contract.

9/9/3 A pregnant employee assigned to high-use operation of VDT/CRT equipment [four (4) or more hours per day] may request reassignment to alternative work within her employing unit. If this request is not granted, the employee may request and shall be granted up to three (3) months of maternity leave of absence without pay, which will be in addition to the maternity leave provisions of this contract.

Section 10 Damaged Clothing

9/10/1 The Employer agrees to pay the cost of repairing eye glasses, watches or articles of clothing damaged in the line of duty when such damage results from an employee performing direct patient care in a state hospital or other institution.

If the above articles are damaged beyond repair, the Employer agrees to pay the actual value of such articles as determined by the Employer. The reimbursement for damaged watches will not exceed seventy five dollars (\$75.00) per watch.

The value of such articles shall be determined at the time of which damage occurs.

Section 11 Employee Health and Safety

9/11/1 The Employer shall make reasonable provisions for the safety and health of the employees, and the Union shall lend its full support and encouragement to the practice of job safety and health by employees. The Employer, the Union and the employees recognize their obligation and/or rights under existing applicable state and federal laws with respect to safety and health matters.

9/11/2 Medical Examination: Whenever the Employer requires an employee to submit to physical examinations, medical tests, including x-rays or inoculations/immunizations and psychiatric exams, the Employer will pay the entire cost of such services not covered by the present health insurance program, providing the employee uses the services provided or approved by the Employer. Employees required to submit

to such exams, tests, or inoculations/immunizations will do so without loss of pay or benefits. Employees who provide acceptable medical or religious reasons for refusal of exams, tests, or inoculations/immunizations will be considered for reassignment.

Section 12 Abnormally Dangerous Tasks

9/12/1 In the event an employee has determined that the task he/she has been assigned is abnormally dangerous, he/she shall inform his/her immediate supervisor by filing an Abnormally Hazardous Task Report Form. Upon receipt of such written claim by the supervisor, the supervisor shall review the situation with the employee and attempt to resolve the matter.

9/12/2 In attempting to resolve the employee claim, the supervisor, at his/her discretion, may attempt to make workplace task performance and/or task assignment changes consistent with health and safety considerations and the availability of additional or alternate personnel. The supervisor may order the employee to perform the task or, at the supervisor's discretion, may assign the affected employee to other available work consistent with the work usually performed by the employee.

9/12/3 If the matter is not resolved to the satisfaction of the employee, and he/she carries out the task, he/she may later file a grievance in accordance with Article IV, commencing at Step Two. If the employee refuses to perform the task, and no alternate assignment is made by the supervisor, the employee may be subject to discipline. If the employee is disciplined, he/she may file a grievance, commencing at Step Two of the procedure.

Section 13 Work Rules

9/13/1 The Employer agrees to establish reasonable work rules that shall not conflict with any of the provisions of this Agreement. The application of such work rules shall recognize the professional nature of employees in this bargaining unit. Newly established work rules or amendments to existing work rules shall be reduced to writing and furnished to the Union thirty (30) days, where possible, but no less than seven (7) calendar days prior to the effective date of the rule(s). For purposes of this Agreement, work rules are defined as and limited to:

“Rules promulgated by the Employer within its discretion which regulate the personal conduct of employees as it affects their employment, except that the Employer may enforce these rules outside the normal work hours when the conduct of the employee would prejudice the interest of the state as an Employer.”

9/13/2 Work rules are to be interpreted and applied uniformly to all employees under like circumstances. The reasonableness of work rules which includes both the application and interpretation may be challenged through the grievance procedure contained in this Agreement.

Section 14 Personnel File

9/14/1 Upon written request to his/her agency or department, an employee shall, within a reasonable time, have an opportunity to review his/her official personnel file in the presence of a designated management representative. However, employees shall not be entitled to review information which is confidential by law or administrative code.

9/14/2 A copy of any material placed in an employee's file which may affect his/her job performance evaluation shall be immediately presented to the employee involved. This material shall be for informational purposes only. The employee may make a written statement regarding his/her position on the materials placed in his/her file and such statement shall be appended to the material which is the subject of the employee's statement.

Section 15 Travel and Lodging

9/15/1 The Employer agrees to continue in effect the provisions of ss. 16.53 and 20.916, Wis. Stats., relating to the reimbursement of state employees for expenses incurred while traveling on state business.

9/15/2 The Uniform Travel Schedule Amounts (UTSA) set forth in the State of Wisconsin Compensation Plan shall be used to reimburse employee travel expenses, unless superseded by a specific provision in this Section. The Employer agrees to provide thirty (30) days advance notice to the Union of any formal Employer recommendations relating to the UTSA. Application and interpretation of this schedule may be challenged through the grievance procedure contained in this Agreement. (The amounts and guidelines are printed in Appendix A of this Agreement.)

9/15/3 Employees covered by this Agreement shall receive any additional increase in reimbursement rates that the employee may obtain under ss. 16.53(12) and 20.916, Wis. Stats.

9/15/4 Travel expenses will be advanced to employees on request when estimated monthly expenses exceed fifty dollars (\$50.00). Such advances will not exceed eighty percent (80%) of the estimated expense.

9/15/5 The Employer shall process employees' requests for travel reimbursement as expeditiously as possible.

9/15/6 Employees on field assignment shall not be required to share a room. When employees are assigned to training programs or conferences, the Employer will not require the sharing of rooms for more than two (2) consecutive nights and only when the room is furnished with two (2) normal motel room beds (excluding hide-a-bed or rollaway) nor will there be more than two (2) employees per room. The above limitations do not apply to those employees attending training programs who are lodged at academies and/or dormitories. The Employer will attempt to accommodate an employee's choice of co-employee with whom he/she wishes to share a room.

Section 16 Inclement Weather

9/16/1 Employees who report late to work after having made an earnest effort to report to work because of inclement weather or severe storm or heeding an official travel advisory issued by the State Patrol or the Milwaukee County Sheriff's Department of road closings shall be allowed to work to makeup for lost time during the current or next pay period as scheduled by the Employer. Makeup shall be at the regular rate of pay.

9/16/2 When the Employer approves employee requests not to report to work or allows employees to leave work before the end of the workday because of hazardous road conditions or other reasons, the time the employee is absent will be charged to vacation, personal holiday or compensatory time or the employee may makeup time lost on that day, as the employee requests. Makeup shall be at the regular rate of pay, as scheduled by the Employer and shall be worked during the pay period in which the emergency condition occurs or the subsequent pay period.

9/16/3 When an employee is making up time under the provisions of this section, the employee will receive the applicable differentials which are appropriate for those actual hours worked to makeup the time.

9/16/4 When the agency head [or their authorized designee(s)] directs the employees to leave work or not to report to work due to hazardous weather conditions or other emergency situations, the employee will be compensated at the employee's base rate of pay plus any applicable differentials for those hours which he/she had been scheduled to work for that day. If there is a power or equipment failure, the Employer will provide alternative work, if possible, prior to directing the employee(s) to leave work. Each agency will be responsible for identifying those management positions which have the authority to send employees home or not to report to work under this provision. Any question on who has the authority should be directed to the employee's immediate supervisor.

Section 17 Contracting Out

9/17/1 When a decision is made by the Employer to contract or subcontract work normally performed by employees of the bargaining unit, the State agrees to a notification and discussion with the Union at the time of the Request for Purchase Authority (RPA), but not less than thirty (30) calendar days in advance of the implementation. The Employer shall not contract out work normally performed by bargaining unit employees in an employing unit if it would cause the separation from state service of the bargaining unit employees within the employing unit who are in the classifications which perform the work. It is understood that this provision shall not limit the Employer's right to contract for services which are not provided by the employing unit, services for which no positions are authorized by the legislature, or services which an agency has historically provided through contract (including, but not limited to, group home services, child-caring institutions, and services under s. 46.036, Wis. Stats.). If any employee is involuntarily transferred or reassigned as the result of contracting or subcontracting out, every reasonable effort will be made to retain the employee in the same geographic area and at the same rate of pay. When the Employer determines that an employee(s) will be involuntarily transferred due to contracting out, a written notice of this action will be given to the employee(s) and the Union prior to implementation. Where possible, fourteen (14) calendar days notice will be given. The Employer also will make an effort to notify the employee and Union of a permanent reassignment due to contracting out. However, failure to provide notice of reassignment is not grievable.

9/17/2 The Employer agrees to notify the Union after issuance of the letter of intent to award a contract. Such notice shall be made in writing to the Union within the five (5) working days as specified in s. Adm. 10.15(1), Wis. Admin. Code.

9/17/3 In order to provide full information to the Union, including reasons for contracting, the justification required in Chapter Adm. 10, Wis. Admin. Code, must be included, along with the required written notice to the Union at the time of the Request for Purchase Authorization (RPA).

The justification in Chapter 10, under contracting out, requires the following information:

A. A reference to the federal law or regulation or state law which requires or authorizes the procurement of the contractual services;

B. A description of the services to be performed, a list of any items to be delivered, complete timetables and any other specific conditions to be required of the contractor;

C. A statement showing why the services can be performed more economically or efficiently by contract rather than by current state employees or by hiring permanent, project or limited term employees. The consideration of costs shall include, but not be limited to, cost of salaries, fringe benefits, training and unemployment compensation benefits;

D. A statement showing why the proposed procurement is in compliance with applicable state collective bargaining agreements and that the labor organization or organizations representing the appropriate certified collective bargaining unit or units have been notified of the proposed procurement;

E. A statement showing why it is not possible to have the services performed by another state agency; and

F. A statement indicating that competitive bidding will be used or why competitive bidding cannot be used and the justification for using the proposed alternative.

Section 18 Blood Donations

9/18/1 Employees who donate blood or donate blood for the purpose of pheresis shall be allowed reasonable time off in pay status to donate blood at the closest blood center to his/her work unit.

Section 19 Whistleblower

9/19/1 The Employer agrees to abide by the provisions of Chapter 230, subchapter III, Wis. Stats., regarding employee protection on disclosure of information, commonly known as the "whistleblower" law.

The employees shall give the Employer at least fourteen (14) calendar days' notice that they will be attending such functions.

10/5/2 An employee may elect to utilize up to five (5) days without loss of pay each calendar year for activity that is advantageous to the enhancement of professional development and is not otherwise covered by this Agreement. The Employer will not unreasonably deny the utilization of this time.

Section 6 Full Time Education

10/7/2 An academic year is defined as the beginning of the fall semester or quarter through the end of the summer semester or quarter.

10/7/4 The employee will request time off and/or reimbursement in advance of course registration in order to obtain approval and arrange for scheduling of hours to meet operational needs.

10/8/3 The programs will be planned to permit employees to attend sessions during work time whenever practical. Bargaining unit employees will be considered on the active payroll during attendance at in-service programs.

Section 9 Evaluation

10/9/1 Every employee may be evaluated, in writing, on an annual basis by his/her immediate supervisor. Where the immediate supervisor has a different professional discipline than the employee, input will be obtained from a practitioner of the same discipline, who is familiar with the employee's work and has the professional background to write a meaningful evaluation.

10/9/2 The employee shall receive a copy of each written evaluation and be given an opportunity to respond in writing to its contents. The employee's response shall be attached to all copies of the evaluation which are kept by the Employer.

10/9/3 Evaluations shall include a conference between/among the employee and the evaluating supervisor(s). The purpose of the evaluation and the conference shall be to meaningfully advise the employee of the quality of his/her job performance, including both strengths and accurate and observable shortcomings, if any, to freely and frankly discuss the employee's strengths and/or weaknesses and to assist the employee in improving any areas of observable shortcomings.

ARTICLE XII

EMPLOYEE BENEFITS

Section 1 Health Insurance

12/1/1 The Employer agrees that the benefits offered under the Standard Plan and all compensable alternative plans shall be comparable. The parties agree that the alternative plans approved by the Group Insurance Board at its meeting on September 5, 1985, are comparable in benefit levels and shall be considered as examples of comparability.

12/1/2 Subject to 12/1/4 below, ~~the~~ Employer agrees to pay ninety percent (90%) of the gross premium for the single or family standard health insurance plan offered to State employees by the Group Insurance Board or one hundred and five percent (105%) of the gross premium of the alternative qualifying plan offered under s. 40.03(6), Wis. Stats., that is the least costly qualifying plan within the county in which the alternate plan is located, whichever is lower, but not more than the total amount of the premium. Employer contributions for employees who select the standard plan shall be based on the county of residence. Qualifying health insurance plans shall be determined in accordance with standards established by the Group Insurance Board.

12/1/3 Subject to 12/1/6 below, ~~the~~ Employer agrees to pay fifty percent (50%) of the above listed contribution amounts for insured employees in permanent part time or project positions defined under s. 230.27, Wis. Stats., who are appointed to work for at least six hundred (600) but less than one thousand and forty four (1044) hours per year.

12/1/4 Effective with premiums due for coverage beginning January 1, 2004, the provisions of 12/1/2, above, and 12/1/5, below, will be discontinued and a three-tier health insurance model will be implemented. The employee monthly contributions toward health insurance premiums will be based on the specific tier to which their qualifying health insurance plan has been assigned for employees appointed to work one thousand and forty four (1044) hours or more per year. Employee contributions under this three-tier approach are as follows:

Employee Monthly Contribution

| <u>2004 Coverage Months</u> | | | <u>2005 Coverage Months</u> | | |
|-----------------------------|-----------------|-----------------|-----------------------------|-----------------|-----------------|
| | <u>Single</u> | <u>Family</u> | | <u>Single</u> | <u>Family</u> |
| <u>Tier 1</u> | <u>\$ 18.00</u> | <u>\$ 45.00</u> | <u>Tier 1</u> | <u>\$22.00</u> | <u>\$ 55.00</u> |
| <u>Tier 2</u> | <u>\$ 47.00</u> | <u>\$117.50</u> | <u>Tier 2</u> | <u>\$50.00</u> | <u>\$125.00</u> |
| <u>Tier 3</u> | <u>\$100.00</u> | <u>\$250.0</u> | <u>Tier 3</u> | <u>\$100.00</u> | <u>\$250.00</u> |

Qualifying health insurance plans, and the tier to which each plan is assigned, will be determined in accordance with standards established by the Group Insurance Board.

12/1/45 Until implementation of the three-tier health insurance plan model under 12/1/4 above, the Employer agrees to continue in effect the Health Maintenance Program in those counties in which there are no approved alternative plans.

12/1/6 Effective with health insurance premiums due for coverage beginning January 1, 2004, as provided in 12/1/4, above, the provisions of 12/1/3, above, will cease and the Employer agrees to pay fifty percent (50%) of the total monthly premium amounts for insured employees in permanent part time or project positions defined under s. 230.27 Wis. Stats., who are appointed to work for at least six hundred (600) but less than one thousand and forty four (1044) hours per year.

12/1/57 An employee who is laid off or on an approved leave of absence without pay may continue his/her group health insurance for a period not to exceed thirty six (36) calendar months while on layoff status or on approved leave of absence without pay, provided the employee prepays on a quarterly basis the entire amount of the premium for the plan he/she is participating in.

Section 2 Life Insurance

12/2/1 The Employer agrees to continue in effect the present level of benefits provided under the existing master contract between the insurance carrier and the Group Insurance Board.

12/2/2 The Employer agrees to continue in effect the present administration of the group life insurance plan provided under the provisions of Chapter 40, Wis. Stats., the master contract between the insurance carrier and the Group Insurance Board, and the Rules of the Department of Employee Trust Funds.

12/2/3 The Employer agrees to pay the difference between the employee contribution and total premium for the total plan.

Section 3 Income Continuation Insurance

12/3/1 The Employer agrees to continue in effect the Income Continuation Program and the administrative provisions of the program provided under Chapter 40, Wis. Stats., and the master contract between the insurance carrier and the Group Insurance Board.

Section 4 Sick Leave

12/4/1 The Employer agrees to provide a sick leave plan as follows:

A. Sick leave shall accrue at the rate of .0625 hour for each hour in pay status, not to exceed five (5) hours of sick leave accrual in any biweekly pay period. Sick leave shall not be used until it has been accrued.

B. Sick leave shall not accrue during any period of absence without pay or for any hours in excess of eighty (80) hours per biweekly period of service.

C. Unused sick leave shall accumulate from year to year in the employee's sick leave account.

12/4/2 The Employer agrees to provide the following:

A. Employees may use accrued sick leave for personal illnesses, bodily injuries, maternity, or exposure to contagious disease: (a) which require the employee's confinement; or (b) which render the employee unable to perform assigned duties; or (c) where performance of assigned duties would jeopardize the employee's health or recovery. In the event the Employer has reason to believe that an employee is abusing the sick leave privilege or may not be physically fit to return to work, the Employer may require a medical certificate from a health care provider other than a state employee, or other appropriate verification for absences covered by this Section. When an employee must obtain such medical certificate during his/her regularly scheduled hours of employment, he/she shall be allowed time off without loss of pay or sick leave credits to obtain the certificate. With the approval of the Employer, employees will be permitted to use personal holidays, earned compensatory time credits, or earned vacation credits in lieu of sick leave when they so request. Such time is subject to the same requirements for sick leave as set forth above.

B. Employees may use accrued sick leave for personal medical or dental appointments which cannot be scheduled at times other than during working hours. To qualify for use of sick leave under this Section, employees must give the Employer three (3) workdays advance notice of appointments, except when emergency conditions prevail.

C. When death occurs in the immediate family of an employee, accrued sick leave may be used. Immediate family is defined as, and limited to: the spouse, parents, step-parents, grandparents, foster parents, children, step-children, grandchildren, foster children, brothers (and their spouses), and sisters (and their spouses) of the employee or spouse, spouse equivalent, aunts and uncles of the employee or spouse, sons-in-law or daughters-in-law of the employee or spouse, or other relatives of the employee or spouse residing in the household of the employee, and any other person permanently residing in the household of the employee. Use of accrued sick leave shall normally be used during the seven (7) calendar day period immediately following the death. Where mitigating circumstances require a postponement in funeral arrangements, sick leave may be used at an appropriate later date for directly related purposes. Use of sick leave for death in the immediate family for the purposes of this Section is limited to a total of three (3) workdays, plus required travel time not to exceed four (4) workdays.

D. Employees may use one (1) day of accrued sick leave to attend the funeral of nieces, nephews, or cousins of the employee or spouse. Travel time required to attend such funerals shall not exceed four (4) workdays.

E. Employees may use accrued sick leave for temporary emergency care of ill or injured members of the immediate family (as defined in paragraph C above) for a limited period of time to permit the employee to make other arrangements. Use of sick leave for the purposes of this Section is limited to five (5) workdays for any one illness or injury; however, the use of sick leave may be extended to cover unusual circumstances, provided prior approval is obtained. An employee may use sick leave for the care of his wife and/or children immediately prior to and/or during the ten (10) day period following the birth of a child.

F. Employees may use accrued sick leave to supplement the Worker's Compensation benefits provided, pursuant to Chapter 102, Wis. Stats., to the extent that the employee shall receive the equivalent of his/her regular base rate. The procedures necessary for the administration of this provision shall be developed by the Employer and shall be in accordance with the existing Wisconsin Statutes.

G. Employees may use accrued sick leave to care for adopted children. Use of sick leave for this purpose may not exceed five (5) workdays during the seven (7) calendar days immediately after taking custody of the child or children.

12/4/3 The Employer agrees to continue in effect the provisions of s. 40.05(4)(b), Wis. Stats., which provide that at the time of retirement or in the event of death, accumulated unused sick leave shall be converted at current value and credited to the employee's account. The conversion credits once recorded shall be used on behalf of the employee or surviving spouse to offset the cost of the monthly health insurance premiums as provided under the provisions of s. 40.05(4)(b), Wis. Stats.

12/4/4 The Employer agrees to provide the following supplemental health insurance conversion credits for permanent employees who retire or who are laid off from the service, or for the surviving insured dependents of permanent employees who die while in the service or while laid off, under the following conditions: The definition of "layoff" for purposes of SHICC does not include employees on a temporary, school year, seasonal, or sessional layoff.

A. The credits shall be based upon an employee's full number of years of adjusted continuous service on the date of retirement, death or layoff.

B. The credits shall be calculated based on the employee's sick leave balance on the date of retirement, death or layoff.

12/4/5 For employees who retire, die or are laid off with at least fifteen (15) full years of adjusted continuous service, the Employer shall match each one (1) hour of accumulated sick leave up to a maximum of fifty two (52) hours per year multiplied by the number of years of service through twenty four (24) years. For years of adjusted continuous service over twenty four (24) years, the Employer shall match each (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

12/4/6 For employees who have earned all of their adjusted continuous service while having protective occupation status and who retire, die or are laid off with at least fifteen (15) full years of adjusted continuous service, the Employer shall match each one (1) hour of accumulated sick leave up to a maximum of seventy

eight (78) hours per year multiplied by the number of years of service through twenty four (24) years. For years of adjusted continuous service over twenty four (24) years, the Employer shall match each (1) hour of accumulated sick leave credit up to a maximum of one hundred and four (104) hours per year multiplied by the number of years of continuous service over twenty four (24) years.

12/4/7 Employees who have earned part of their adjusted continuous service while in protective occupation status shall have their credits prorated in accordance with these provisions:

A. If, at the time of retirement, death or layoff, the employee has adjusted continuous service of less than twenty five (25) years, multiply the number of years as general by fifty two (52) hours. Multiply the number of years as protective by seventy eight (78) hours. Combine these totals to determine the maximum matching credits.

B. If, at the time of retirement, death or layoff, the employee has adjusted continuous service of over twenty four (24) years, determine the proration based on the first twenty four (24) years of service and then add one hundred and four (104) hours for each year of adjusted continuous service over twenty four (24) years.

12/4/8 Employees who suffer from a personal illness or injury that requires them to use at least five hundred (500) hours of accrued sick leave during the three (3) years immediately prior to retirement, death or layoff shall receive five hundred (500) hours credited to this account upon retirement, death or layoff.

12/4/9 Employees shall be required to provide medical documentation of such illness or injury to the Employer on forms provided by the Employer at the time the leave is taken. Employees who have suffered such an illness or injury during the three (3) years immediately preceding the effective date of this contract shall also be required to provide supporting medical documentation.

12/4/10 Credits granted to a laid off employee, or that person's surviving insured dependents, shall be available until the credits are exhausted, the laid off employee accepts any other employment that offers a comparable health insurance plan as defined in 8/11/1 or 5 years have elapsed from the date of layoff, whichever occurs first.

12/4/1011 Access to these credits for payment of post retirement health insurance premiums shall occur only after all Accumulated Sick Leave Conversion Credits (ASLCC) have been exhausted.

12/4/1112 In the event an employee returns to a position covered by this agreement after having retired, the credits in this account shall be held in escrow until the employee again retires. The credits will then be adjusted to reflect additional years of continuous service and sick leave accrual.

12/4/1213 ~~At the employee's option, t~~These credits shall be converted using the employee's highest base pay rate while in state service at the time of retirement or the average of the employee's base pay rates during the employee's three highest earnings years.

12/4/1314 For informational purposes, a chart portraying this benefit is found in Appendix E.

12/4/1415 The employee may elect to delay conversion of his/her sick leave credits for a period of up to ten (10) years after the date of retirement, provided that the employee is covered by a comparable health insurance plan or policy between the date of retirement and the time that the employee elects to convert his/her sick leave credits. Such conversion shall be based on the employee's hourly rate at the time of retirement.

12/4/1516 Separation from state service shall cancel all unused accumulated sick leave. However, when a person who is an employee with permanent status in class resigns, any unused accumulated sick leave shall be restored, provided he/she is re-employed by any agency of the state within the time period provided under the permissive reinstatement provisions in the Wisconsin Administrative Code. When a person who is an employee with permanent status in class is laid off, any unused accumulated sick leave shall be restored, provided he/she is re-employed by any agency of the State within five (5) years.

12/4/1617 Each employee's unused sick leave accumulated in his/her sick leave account as of the effective date of this Agreement shall be carried over under this Agreement. Employees who become bargaining unit members after the effective date of this Agreement and have unused sick leave accumulated in their sick leave account, shall have the amount accumulated in their account as of the date they become bargaining unit members carried over under this Agreement. This Section shall not be used to recompute the amount of sick leave accumulated in an employee's account prior to the effective date of this Agreement or prior to the date an employee becomes a bargaining unit member.

Employees on approved leave under this Section shall be entitled to full base pay plus any unit wide pay increases and personal holidays.

12/7/7 Employees on approved leave with pay under this Section shall earn vacation and sick leave credits for the time spent on approved leave with pay for a maximum period of six (6) months, unless extended by the Employer. Employees shall be denied legal holiday credits for holidays which occur during the period of absence.

12/7/8 Concurrent benefits--except for payments specifically authorized under Chapter 102, Wis. Stats., pertaining to workers' compensation. Under no circumstances shall an employee receive more than his/her base rate of pay for the job in which he/she was performing at the time of injury.

12/7/9 Employees on leave with pay shall submit to such physical and/or medical examinations as may be required by the Employer to determine the extent or continuation of disability and inability to work. Such examination(s) shall be at the expense of the Employer and performed by physicians selected by the Employer. A complete report indicating the nature and extent of disability and prognosis for a reasonable return to duty and an estimated date of such return shall be submitted to the Employer. Refusal by the employee to submit to examinations ordered by the Employer or medical treatment ordered by the examining physician shall constitute grounds for disciplinary action. Based upon the information provided by the medical reports, the Employer

shall determine the extent to which leave with pay shall be granted or take other action consistent with 12/4/2F. Upon return to full work status, an employee's benefits under this Section shall cease, providing his/her attending physician has released him/her from further medical treatment. In the event the employee is able to return to full work status but further medical treatment is required for the sustained injury, benefits shall continue to be granted to cover the treatment time, providing the attending physician has made a prior determination that such treatment is necessary for full recovery. When an employee suffers further aggravation of an injury for which benefits have ended, he/she may, upon recommendation of his/her attending physician, have such benefits resume for the period of treatment recommended, providing such aggravation meets the qualifying provisions of s. 230.36, Wis. Stats.

Section 8 Military Service

12/8/1 Annual Field Training: The Employer agrees to provide employees who have permanent status and who are members of either the national guard, state guard or any other reserve component of the military forces of the United States or the State of Wisconsin, now or hereafter organized or constituted under federal and state law, shall be granted a leave of absence without loss of pay not to exceed thirty (30) work days in any calendar year. During this leave, each employee shall receive his/her base state pay less the base military pay received for and identified with such attendance but such reduction shall not be more than the base state pay. Such leave shall be provided to enable employees to attend military school and annual field training or annual active duty training and any other federal tours of active duty which have been duly ordered and held. Such paid leave shall not be granted to employees who are serving on extended active duty or for service as a member of the active armed services of the United States, or for absences of three (3) consecutive days or less. Employees shall notify their immediate supervisor immediately upon receiving written or oral notice of their dates of military service. This provision does not apply to inactive duty training.

12/8/2 The amount of authorized pay shall be determined by the number of scheduled work hours within the starting and ending dates of the training period as specified on the military pay voucher or other payroll document received by the employee at the conclusion of the training period. This document shows the number of days and inclusive dates for which military pay was received, including authorized travel time, if applicable. Military orders include ample travel time via the most rapid mode of transportation available and for which transportation or actual reimbursement is made by the military; therefore, additional travel time required by the employee to accommodate a different mode of travel elected by the employee must be charged to leave without pay, vacation or compensatory time.

12/8/3 Public Emergencies: The Employer agrees to provide employees who have permanent status and who are members of the Wisconsin National Guard or the Wisconsin State Guard, who are called into state active duty service to meet situations arising from war, riot, public emergency or are called into service to prepare for anticipated emergencies the right to elect to receive pay from the state pursuant to s. 20.465(1)(c), Wis. Stats., in an amount equal to his/her base state salary for such period of State active duty in lieu of the service pay, including allowances, the employee would normally receive as a member of the National or State Guard.

12/8/4 The Employer agrees that leave provided under this Section is in addition to all other leaves granted or authorized by this Agreement. For the purpose of determining seniority, pay or pay advancement, the status of the employee shall be considered uninterrupted by such attendance.

12/8/5 The Employer agrees that employees who are called for a pre-induction physical for the military service shall be granted a leave of absence with pay for the time actually and necessarily spent in response to such a call.

12/8/6 Differential pay, sick leave, and annual leave for employees activated into certain federal service.

A. Subject to C., below, an employee who is activated to serve on military duty in the U.S. armed forces shall be paid his or her state salary, less any military pay and housing allowances that he or she receives, during the period in which the employee is on military duty in the U.S. armed forces, unless the military pay and housing allowances equal or exceed his or her state salary, and shall accumulate sick leave and paid annual leave of absence as though no interruption in service has occurred if all of the following apply:

1. On or after January 1, 2003, the employee is activated to serve, or is serving, on military duty in the U.S. armed forces, other than for training purposes.

2. On the date on which he or she is activated, the employee is either a member of the Wisconsin national guard or a member of a reserve component of the U.S. armed forces or is recalled to active military duty from inactive reserve status.

3. The employee has received a military leave of absence under 12/8, under this Section, under s. 230.35(3), Wis. Stats., or under rules promulgated by the Office of State Employment Relations.

B. Subject to C., below, on or after January 1, 2003, an employee who is required to serve, or who is serving, in the U.S. public health service and who is on detail with any of the U.S. armed forces shall be paid his or her state salary, less any federal pay and housing allowances that he or she receives, during the period in which the employee is detailed for duty with any of the U.S. armed forces, unless the federal pay and housing allowances equal or exceed his or her state salary, and shall accumulate sick leave and paid annual leave of absence as though no interruption in service has occurred.

C. 1. Except as provided in paragraph 2., following, beginning on the day in which an employee is activated to serve on military duty in the U.S. armed forces or to serve in the U.S. public health service, the employee shall receive the pay and benefits authorized under A. or B., above, for a period of not more than 179 days. If an employee is eligible to receive pay and benefits for military service under s. 230.35 (3)(a) or under 12/8/3 of this Agreement, the employee shall become eligible to receive the pay and benefits authorized under A. or B., above, only after receiving the pay and benefits for military service under s. 230.35 (3)(a) or 12/8/3.

2. The governor, by executive order, may extend the period that an employee receives the pay and benefits under 1., above, up to a period of 2 years from the date on which the person is activated to serve on military duty in the U.S. armed forces or to serve in the U.S. public health service. Any extension granted by the governor under this paragraph may apply to an individual employee or to a group of employees, as determined by the governor.

3. No employee who is eligible to receive the pay and benefits under A., or B., above, may receive the pay or benefits for any service in the U.S. armed forces or the U.S. public health service for any such service before January 1, 2003.

D. An appointing authority shall permit an employee who is eligible to receive the pay and benefits authorized under A., or B., above, and who has completed his or her duty with the U.S. armed forces or the U.S. public health service to use up to 160 hours of accumulated paid leave before the employee resumes employment with the state. Any accumulated paid leave that is used under this paragraph must be used no later than 30 days after the employee has completed his or her duty with the U.S. armed forces or the U.S. public health service. If, after using such leave, an employee has any paid leave remaining that was accumulated while on duty with the U.S. armed forces or the U.S. public health service, the appointing authority shall permit the employee to carry over the leave into the next calendar year for use in that year.

12/8/7 If an employee who is eligible to receive the pay and benefits authorized under 12/8/6 was activated to serve, or is serving, on military duty in the U.S. armed forces or in the U.S. public health service during the period that begins on January 1, 2003, and ends on the day before the effective date of this Agreement, the employee shall receive the pay and benefits authorized under 12/8/6 for any service on military duty in the U.S. armed forces or in the U.S. public health service during that period.

Section 9 Jury Duty

12/9/1 The Employer agrees to provide employees who are summoned for grand jury or petit jury service leave with pay at the base pay of the employee. Base pay of the employee is the employee's pay rate, excluding any overtime or supplemental pay. When not impaneled for actual service and only on call, the employee shall report back to work, unless authorized by the appointing authority to be absent from his/her work assignment.

Section 10 Retirement

12/10/1 The Employer agrees to continue in effect the administration of the Wisconsin Retirement System as provided under Chapter 40 of the Wis. Stats., and the appropriate Adm. Code rules of the Employee Trust Funds Board.

12/10/2 For the duration of this Agreement, the Employer shall contribute on behalf of the employee five percent (5.0%) of the employee's earnings paid by the State.

12/10/3 Effective July 1, 1986, the Employer shall pay the one percent (1.0%) benefit adjustment contribution required by s. 40.05(2m), Wis. Stats.

12/10/4 Effective January 1, 1996, the Employer shall pay the additional three-tenths of one percent (0.3%) employee share of the required benefit adjustment contribution for general occupation employees.

Section 11 Holidays

12/11/1 The Employer agrees to provide full time employees the following paid legal holidays of eight hours each.

12/11/2 At the start of each calendar year, employee leave accounts are credited with the number of Saturday holiday compensatory time hours that would occur during that year. As a result of this practice, employees who work on those holidays for which the leave was credited shall receive holiday premium pay but are not eligible to receive any additional holiday compensatory time.

12/11/3 To qualify for any paid holiday, employees must work or be in pay status on the last scheduled workday immediately preceding or the first scheduled workday immediately following the holiday.

12/11/4 If any of the holidays provided above fall on an employee's regularly scheduled day off, such employees shall receive equivalent compensatory time or Saturday holiday time for the eight (8) hours.

12/11/5 The Employer agrees to provide employees with three and one-half (3 1/2) non-cumulative personal holidays in each of the calendar years covered by this Agreement plus one (1) additional paid personal holiday each calendar year, effective calendar year 2004, in recognition of Veterans Day. All employees not satisfactorily completing their probationary period will earn only the annual prorated amount of their personal holidays. Personal holidays shall be scheduled and taken as provided in Article VI, Section 4 (Hours of Work).

12/11/6 Under the provisions of 1., 2., 3. and 4., above, permanent part-time employees will have all holidays prorated. The proration of legal holidays for part-time employees will be based upon the number of hours an employee is scheduled to work during the pay period in which the holiday falls, i.e., if an employee is scheduled for forty (40) hours during the pay period, he/she will be given four (4) hours for the holiday.

12/11/7 Holiday Premium Pay: When employees are required by the Employer to work on a holiday provided in 12/11/1 above, the Employer agrees to reimburse such employees at the premium rate of time and one-half for all hours worked between the hours of 12:00 a.m. and 11:59 p.m. Payments due employees who work on a holiday which exceed the employee's regular rate shall be made in compensatory time off or cash payment, or any combination thereof, at the discretion of the Employer.

12/11/8 Holiday Compensatory Time: In addition to the compensation provided to employees under 12/11/7, employees who are required to work on a holiday shall also receive compensatory time on an hour-for-hour basis, not to exceed eight (8) hours for working on a holiday.

12/11/9 Scheduling Use of Compensatory Time and Saturday Holiday Time: Where compensatory time or Saturday holiday time is provided under the provisions of this Section, it shall be taken in accordance with the provisions of Article VI, Section 4 (Hours of Work). The Employer may permit such time to be anticipated.

Section 12 Administration of Worker's Compensation Benefits

12/12/1 In the administration of the Worker's Compensation Act as set forth in Chapter 102, Wisconsin Statutes, the management shall make an initial determination as to whether the injury or disease was job related; and if so, he/she may authorize payment for temporary disability as specified in the Worker's Compensation Act.

12/12/2 In the event the Employer makes an initial determination that an injury is job related and authorizes payment for temporary disability as specified in the Worker's Compensation Act, the Employer shall continue to pay its share of the Health Insurance premium as provided in Article XII, Section 1 for the period of the temporary total disability.

12/12/3 In the event the Employer denies the employee's claim of worker compensable injury or disease and the employee's claim is later sustained, the Employer will reimburse the employee its proportionate share of the premium payment per Article XII, Section 1, if the employee had continued paying the full cost of the Health Insurance premium payment during the period of worker's compensation claim pendency.

Section 13 Witness Fees

12/13/1 Where an employee is subpoenaed to testify in a legal action and the Employer determines that such subpoena resulted directly from the performance of the employee's required duties, the Employer shall permit the employee to take time off with pay to comply with the subpoena if required to appear during his/her regularly scheduled hours of employment; provided, however, that the employee shall turn over to the Employer any witness fee received.

Section 14 Dental Insurance Deduction

12/14/1 The Employer agrees to deduct from the pay of participating employees the amount necessary to pay the total premium for a dental insurance plan to be administered by the Union. The Union shall notify the Employer of the premium amounts.

12/20 19/1 This is a program to allow employees to voluntarily donate (transfer) annual leave, Saturday legal holiday, personal holiday and sabbatical leave time to employees who have been granted unpaid leaves of

absence due to catastrophic need for which no eligible paid leave benefits or replacement income are available. It is understood that these transfers are a conditional benefit and not a right of potential recipients.

12/2019/2 Catastrophic illness or injury is defined as an illness or injury which is expected to incapacitate the employee and which creates a financial hardship. Catastrophic illness or injury may also include an incapacitated family member if this results in the employee being required to take time off from work for an extended period of time to care for the family member.

12/2019/3 A joint committee composed of equal representation of Union and Employer representatives will be designated to establish and/or modify guidelines, policies, and processes for application, approval, review of denials and confidentiality of requests or donations by potential recipients and donors. One (1) representative from each certified parent Union with an Agreement containing a Catastrophic Leave provision, one (1) classified non-represented employee, and designated Employer representatives will comprise a joint committee.

12/2019/4 Transfers may occur among covered employees in the same agency. Transfers between covered employees in different agencies may occur with the affected agencies' approval. Covered employees for purposes of this provision means any state employee having access to a Catastrophic Leave Program, excluding employees in positions under s. 230.08 (cm), (d) and (k), Wis. Stats., unless approved or authorized by the UW Board of Regents, unclassified employees of the State of Wisconsin Investment Board and elected officials.

12/2019/5 The local union shall establish an approval committee, comprised of no more than three (3) union representatives and one (1) management liaison. Leave requests must be approved by the local union committee having jurisdiction over the applicant. Consistent with the provisions of this section, the committee shall have final decision making authority. Applicants may request a review of denials before this committee.

12/2019/6 Donations shall be from within the same employing unit first and may be expanded to the agency level with agency approval. Donations shall be on an hour for hour basis and used in order of receipt.

12/2019/7 The local union approval committee will notify the Employer of approved recipients and donors. The Employer will transfer donated leave from donor to recipient leave accounts. Every effort shall be made to maintain the confidentiality of the donor(s) and recipient(s) upon request.

12/2019/8 To be an eligible recipient, an employee:

A. Must have completed the first six (6) months of an original probationary period. (Days of catastrophic leave benefits to a recipient shall be considered as leave without pay for probationary extension purposes.)

B. Must be on approved unpaid leave of absence.

C. Must be in need of at least one hundred and sixty (160) hours.

D. Must be absent due to a catastrophic illness or disability of an employee or a member of the employee's immediate family, as defined in 12/4/2/C., for which medical documentation is provided.

E. Must have exhausted all available sick leave and have no more than sixteen (16) hours of combined accrued annual leave, Saturday legal holiday, personal holiday and/or sabbatical leave time.

F. Must not be receiving other salary replacement benefits.

G. Must be approved to receive transfers by the local union approval committee.

H. Part-time employees will receive leave on a prorated basis up to the FTE of scheduled hours.

I. Must remain a state employee.

J. Cannot receive more than eighty (80) days of catastrophic leave benefits per calendar year (Prorated based on FTE).

12/2019/9 To be an eligible donor, an employee:

A. Must have completed the first six (6) months of an original probationary period and been a state employee for at least one (1) year.

B. Cannot donate a combination of more than forty (40) hours of accrued personal holiday, Saturday legal holiday, sabbatical leave and/or anticipated annual leave in any calendar year (Prorated based on FTE).

C. Must remain a state employee.

12/2019/10 It is understood that nothing in this Section shall require either the Union or the Employer to take any action determined to be illegal or in conflict with other provisions of this Agreement.

12/2019/11 It is understood that the provisions of this Section are not subject to the appeal provisions of Article IV of this Agreement.

Section 20 **Commuter Benefits Program**

12/20/1 All bargaining unit employees shall have the opportunity to participate in the Commuter Benefits Program as administered by the Department of Employee Trust Funds under the provisions of Chapter 40, Wis. Stats.

ARTICLE XIII

GENERAL

Section 1 Obligation to Bargain

13/1/1 This Agreement represents the entire Agreement of the parties and will supersede all previous agreements, written or verbal. The parties agree that the provisions of this Agreement shall supersede any provisions of the rules of the Administrator and the rules of the Secretary relating to any of the subjects of collective bargaining contained herein when the provisions of such rules differ with this Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union for the life of this Agreement, and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 2 Partial Invalidity

13/2/1 Should any part of this Agreement or any provision contained herein be declared invalid by operation of law or by any tribunal of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

Section 3 Definition of Probationary Employee

13/3/1 The term “probationary employee” as used in this Agreement relates to all employees serving on a probationary period as defined below. All original and all promotional appointments to permanent, sessional and seasonal positions in the classified service shall be for a probationary period of six (6) months, except as specifically provided in s. 230.28, Wis. Stats., and Wis. Administrative Code, Chapter ER-MRS 13, in the cases of trainees, intern classes, reinstatement, transfer, and demotion, or where longer probationary periods are authorized.

13/3/2 The inclusion of this Section in the Agreement is for informational purposes only and does not constitute bargaining with respect to the subject matter of this Section. Further, any amendment to the aforementioned law or rule governing probationary periods will require an immediate amendment to this Section.

Section 4 Retroactivity

13/4/1 No provision of this contract will be retroactive unless specifically so stated.

ARTICLE XIV

NO STRIKE OR LOCKOUT

Section 1

14/1/1 Inasmuch as this Agreement provides machinery for the orderly resolution of disputes which relate to this Agreement by an impartial third party, the Employer and Union recognize their mutual responsibility to provide for uninterrupted services. Therefore, for the duration of this Agreement:

14/1/2 The Union agrees that neither it, its officers, agents, representatives or members, individually or collectively, will authorize, instigate, cause, aid, condone, or take part in any strike, work stoppage, sit down, stay-in, slowdown or other concerted interruption of operations or services by employees (including purported mass resignations or sick calls) or any concomitant thereof. The Union agrees that the Employer has the right to deal with any such strike activity by:

A. Imposing discipline, including discharge or suspension without pay on any, some or all of the employees participating therein, and/or on any, some, or all of the leaders of the labor organization who so participate, as the Employer may choose;

B. Canceling the civil service status of any employee engaging therein;

C. Seeking an injunction and/or requesting the imposition of fines either against the Union and/or the employee(s) engaging therein, and/or suing for damages because of such strike activity.

14/1/3 When the Employer notifies the Union by certified mail that any of its members are engaged in any such strike activity, the Union will immediately, in writing, order such employees to return to work, provide the Employer with a copy of such order by certified mail within twenty four (24) hours of receipt of the notification from the Employer, and a responsible officer of the Union will publicly order the striking employees to discontinue such conduct through the medium of local newspapers and/or local radio. Failure of the Union to take such action will be considered in determining whether or not the Union caused or authorized, directly, or indirectly, the strike. This clause is not subject to the arbitration provisions of this Agreement but will be enforced by the ordinary processes of law.

14/1/4 The Employer agrees that neither it, its officers, agents or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout. If a lockout does, in fact, occur, all affected employees will be paid for such period of time at their regular rate of pay for time lost from work due to the lockout.

Section 2

14/2/1 In the event a dispute arises between the parties hereto with respect to whether or not the Union or any of its officers, agents or representatives, has caused or authorized, either directly or indirectly, a strike, work stoppage, sit-down, stay-in, slowdown or other concerted interruption of operations or services by employees, or in the event of a dispute arising as to whether or not the Employer has locked out employees, such disputes will be settled as provided in Article IV of this Agreement. This Section shall not affect the right of the Employer to deal with any strike activity pursuant to Section 1 of this Article.

ARTICLE XV

TERMINATION OF AGREEMENT

15/1/1 Except as otherwise provided herein, the terms and conditions of this Agreement shall continue in full force and effect commencing with publication of the session law ratifying the Agreement, and terminating on June 30, 2003, unless the parties mutually agree to extend any or all of the terms of this Agreement. Upon termination of the Agreement, all obligations under the Agreement are automatically canceled, except that the provisions of the grievance procedure shall continue in effect for such period of time as is necessary to complete the processing of any grievance presented prior to the termination of the Agreement.

At institutions such as the Centers for the Developmentally Disabled, the Wisconsin Resource Center, the Mental Health Institutes, and the correctional facilities, bargaining unit employees may receive the appropriate immunizations at the work site. At other work sites, where the vaccinations are not provided on site, the Employer shall reimburse the employee for those immunization costs not covered when the employee receives the vaccine through his or her physician.

The Employer will offer post-vaccination serologic response testing to employees six (6) months after completion of the vaccination series.

It is the understanding of the parties that the Employer will not direct employees to receive such immunizations. Test results and employee patient records shall be confidential.

In instances where an employee is found to be susceptible to Hepatitis B, the employee will be strongly encouraged by the Employer to consult with his or her physician regarding appropriate medical treatment.

For informational purposes, the parties recognize the authority of the federal Occupational Safety and Health Administration (OSHA) and the Wisconsin Department of Commerce (DComm), regarding control of Hepatitis B. The Employer agrees to abide by applicable OSHA/DComm regulations as amended.

~~MEMORANDUM OF UNDERSTANDING #3~~

~~2001-2003 AGREEMENT~~

~~Parking/Public Transit Account~~

~~It is possible that, during the life of this agreement, the Department of Employee Trust Funds (DETF) will develop an account system similar to or part of the Employee Reimbursement Account (ERA) Program that will allow state employees to pay for work-related parking and transit on a pre-tax basis. The Employer and Union agree that if such an account system is developed and implemented, employees covered under this agreement will be allowed to participate in the system. By agreeing to allow such participation, the Employer and Union also agree that all dates, rules and conditions established by the DETF for the system's implementation and administration will apply.~~

MEMORANDUM OF UNDERSTANDING # 3

2003-2005 AGREEMENT

Contracting Out

During the course of negotiations for the 2001-2003 Agreement, concerns were raised by the union regarding contracting out for services under chapter 16 procurement procedures. As part of ensuring fiscal responsibility in state government, the state is committed to managing contracts for services in a manner consistent with the best interests of the state as a whole. It is essential that the state comply with relevant statutes, administrative rules, DOA procurement policies, and collective bargaining agreements when contracting for services. The state wishes to give effect to the letter and intent of those statutes, rules, procedures, and agreements while continuing to streamline procurement procedures so as not to unduly delay the performance of state services. In an effort to address these concerns, the parties agree to the following:

1) DOA will develop a shared format to be used by all agencies to track the purchase of contracted services. If a centralized, electronic procurement system becomes available during the biennium, that system may be substituted. Information gathered in this manner will be shared by agencies with the union on an annual basis. This shared format will be developed and distributed to agencies not later than March 1, 2004.

2) State agencies will abide by current state procurement policies and collective bargaining agreements regarding notice of contracting out to unions. In addition to providing notices currently required by existing statutes, rules and procedures, a notice will be issued to the union for all vendor-managed service

contracts no later than 5 working days prior to the each service engagement. This notice will include the type of services to be performed and a justification of need consistent with the requirements of the DOA Procurement Manual. If unforeseen circumstances prevent the issuance of the notice 5 working days prior to the service engagement, a notice will be issued as soon as possible consistent with business needs.

3) DOA will issue a memorandum to agencies by January 2, 2004, clarifying the process that is required to be followed when a request for purchasing authority is issued and when the delegated contract process is followed, consistent with relevant statutes, administrative rules, procurement policies, and collective bargaining requirements. This memorandum will emphasize the importance of providing timely notice to affected labor organizations at the appropriate points in the process, and the importance of preparing a justification of need for contracted services that includes a statement showing why the services can be performed more economically or efficiently by contract rather than by current state employees or by hiring permanent, project, or limited term employees.

4) Over the term of this contract, DOA will coordinate a review of two specific contracts that are for work performed by this union and that are identified by the union. The information technology services contract will not be eligible for this review, although individual hires off of the contract may be reviewed. This pilot review will analyze available documentation regarding the procurement process used, scope, term, and cost of the contract, information submitted by the union that bears on the contract, and other relevant factors. Upon completion, DOA will meet with the union to discuss the results of its review.

5) An advisory group will be established and comprised of five management members and five union members for the purpose of advising the DOA secretary, by July 1, 2004, on the procurement of services that are normally performed by bargaining unit members. Advisory group members will attend meetings of the group without loss of pay. The advisory group may forward consensus recommendations to the DOA secretary on the following issues:

a) the relevant factors to be considered in preparing the justification of need required under current procurement procedures;

b) the preparation of accurate, economical, efficient and effective analyses;

c) consideration of whether procurement statutes, rules, policies and procedures need to be modified to ensure that appropriate analysis can be performed without unduly delaying the performance of state services; and

d) procedures to ensure agency compliance with union notification requirements.

The advisory group may provide consensus recommendations, if any, to the DOA secretary by July 1, 2004. The DOA secretary will meet with the advisory group to discuss its recommendations.

This Memorandum of Understanding sunsets on June 30, 2005, regardless of contract extension, unless the parties mutually agree to extend.

MEMORANDUM OF UNDERSTANDING #4

2001-2003 AGREEMENT

~~Due to the administrative delay in implementation of the 2001-2003 collective bargaining agreement, the parties agree to the following:~~

1. ~~Except as provided in 2., below, if, for any reason, the 2001-2003 Agreement includes any provision with an effective date actually occurring before the effective date of the Agreement, all references to such effective date shall be changed to "the first day of the pay period following the effective date of the Agreement." Any such change to the effective date(s) of a wage provision(s) will not result in a change to the order of the wage increases provided in the Agreement.~~

2. ~~Each eligible employee will receive a lump sum payment equal to the value of any pay increase resulting from a wage provision described in 1., above, multiplied by the hours the employee is in pay status between the effective date stated in the wage provision and the first day of the pay period following the effective date of the Agreement. Eligibility of an employee not in pay status on the effective date of the Agreement will be determined according to Article 11, Section 4, except the time period provided in Article 11, Section 4, shall be changed to the period from the effective date(s) stated in the applicable wage provision to the first day of the pay period following the effective date of the Agreement, as appropriate.~~

3. ~~Any pay schedules with an end date before the effective date of the contract will be effective and end on the first day of the pay period after the effective date of the Agreement. These schedules will be used to~~

~~apply the proper minimums and maximums for the wage provisions to which they would have been applicable had there been no delay in the implementation of the wage provisions.~~

Meal claims must be actual, reasonable and necessary and represent the actual amount spent. For a claim to be reimbursed in excess of the maximum amount, an itemized receipt or charge card credit slip (tear tabs are not acceptable) must be provided and there must be documentation that the cost was incurred outside of the traveler's control. To be allowed reimbursement for breakfast, the employee must leave home before 6:00 a.m.; lunch, departure must be before 10:30 a.m. and return after 2:30 p.m.; dinner, return must be after 7:00 p.m. These time frames are for employees working standard hours of 7:45 a.m. to 4:30 p.m. These time frames may be modified for employees working varied work schedules.

On any particular day, an employee entitled to reimbursement for two (2) or more consecutive meals, may divide claims between meals as desired, provided the combined maximum is not exceeded. Each day is considered separately for application of this policy. If meal maximums are not reached on one day, the unspent amount does not accrue and cannot be applied to meals on another day or other costs incurred.

Maximum reimbursement rates for meals (in-state and out) are included in the section entitled "Maximum Reimbursement Rates."

Employees should carry an ID that identifies them as a State employee. Reimbursement is limited to the single room rate. If employees share a room, the reimbursement rate may be divided equally but not in excess of the maximum permitted for each employee had each stayed in a single room.

State employees are exempt from paying sales tax in Wisconsin on lodging and should avoid such by furnishing retailers with written documentation stating they are traveling on government business. In the event the employee must pay taxes, the taxes will also be reimbursed.

Nonavailability slips are not required when employees do not have access to fleet vehicles in their headquarter city.

Mileage reimbursement rates are included in the section entitled “Maximum Reimbursement Rates.”

The State has contracts with vehicle rental companies for discounted rates. All contract vendor rates include free collision and liability insurance. A non-contract vendor should only be used when none of the contract vendors have vehicles available.

When renting from noncontract vendors within the U.S., the collision damage insurance (CDW) is reimbursable and must be purchased.

Companies that require the vehicle to be returned with a full tank of gas charge substantially more for filling the tank. Therefore, employees should fill the tank before returning the vehicle.

AIR TRAVEL :

Reimbursement for air travel is limited to the lowest appropriate air fare. Lowest appropriate air fare is defined as coach fare which provides for not more than a two (2) hour window from the traveler's preferred departure or arrival time and may require one plane transfer. Reimbursement at a rate other than the lowest appropriate air fare must be approved by the agency head or designee in the form of a written explanation of the reasonableness of the expense.

B. Concept. The DCA is intended to provide the appointing authority with the discretion to provide economic recognition for significant and permanent changes in job duties, increased competencies, or to address pay equity or retention needs.

C. Amount.

1. Except as provided in 3., below, the DCA may be granted in any amount up to four (4) within range pay steps, subject to the maximum of the pay range. The DCA may be granted as a base pay adjustment and/or in a lump sum dollar amount.

2. An employee may receive more than one DCA during the fiscal year, however, the total amount granted in the form of DCAs in the fiscal year may not exceed an amount equal to four (4) within range pay steps, except as provided in 3., below. The DCA four (4) within range pay step limit per fiscal year per employee includes DCAs granted by one agency or by multiple agencies. For the purpose of applying the four (4) within-range step limitation, lump sum Discretionary Compensation amounts will convert to base pay equivalents as follows: the lump sum Discretionary Compensation amount, divided by 2088, equals the base pay equivalent.

3. In exceptional circumstances, an agency Secretary may submit a request to the ~~Secretary~~Director of ~~DO~~OSER to exceed the four (4) within range pay step limit specified in 1. and 2., above. This request must be accompanied by comprehensive justification. If approved by the Secretary of ~~DO~~OSER, the request will be forwarded to the Secretary of the Department of Administration (DOA) for final approval. Approval of both the ~~DO~~OSER Director and DOA Secretariesy must be obtained prior to awarding any DCAs which exceed the four (4) within range pay step limit.

D. Effective Date. DCAs may be granted at any time during the fiscal year. The effective date of an adjustment will be the beginning of the first pay period following effective receipt of the DCA recommendation.

E. Agency Criteria. Agencies must develop criteria which will be used to grant DCAs prior to award of any DCAs. The criteria must be developed and applied in a non-discriminatory manner. No agency or university campus may award DCAs until its criteria has been reviewed and approved by ~~DO~~OSER. A copy of each agency's criteria will be provided to covered employees in that agency.

F. Reporting Requirements. Agencies that grant DCAs will provide reports as required by ~~DO~~OSER. These reports will include: the names and classifications of recipients, effective date of each award, the amount granted, and the reason for granting the award. Additional information may be required at the discretion of the ~~DO~~OSER ~~Secretary~~Director.

G. Funding. The DCA is not considered a "salary adjustment" for which supplemental allotments may be provided under s. 20.865, Wis. Stats.

H. DCAs will not be considered an intervening adjustment for purposes of determining an employee's pay on reinstatement or restoration.
